

FUSIONTURF

PLAY

Pile Height – 1"

Face Color – Field/Lime/Olive

Face Weight – 55oz

Blade Shape – S Cross Section

PLAY is a ideal choice for playground surfaces ranging from backyard playsets to commercial playgrounds. The 1" durable blade creates a fun place to run, jump and play while the flow-through backing allows for maximum drainage so the surface will be ready for use within minutes after hard rainfalls. PLAY can be installed indoors or outdoors and a great compliment for the Fusion playground padding and installation system.
