Blade Shape – S Cross Section

LANDSCAPE

GOLF

PETS

PLAYGROUND

AGILITY

Heat Reduction Technology

Limited Lifetime Warranty

Antimicrobial Additives

Silverback™ Polyurethane

Zoysia HD is an excellent landscape grass that offers a multi colored thatch, which gives the turf added body and reduces the amount of infill needed. The four color blend creates a truly authentic look. Zoysia HD is a great choice for lawn & landscapes and the 1.5" blade height and 52 oz makes it durable enough for pet and playgrounds as well. Zoysia HD can be installed indoors or outdoors on concrete or a compacted base.
