

FUSIONTURF

FUSION PRO

Pile Height – 1.5"

Face Color – Field/Olive

Face Weight – 50oz

Blade Shape – S Cross Section

FusionPRO is the economical choice for those landscaping projects where budget is a major factor without compromising quality, look and feel. With 1.5" blade height and 50 oz face weight, this grass is designed to cover those larger areas with light to moderate foot traffic. Multi-colored blades and tan thatch give it a very authentic look. FusionPRO can be installed indoors or outdoors on concrete or a compacted base.
